The Western Planning Regions have scheduled the 2020 Annual Interregional Coordination Meeting on February 27, 2020 in Tempe, Arizona. This Annual Interregional Coordination Meeting provides a forum for discussing the planning activities of the west, including a review of each region's planning process, its most recent Regional Transmission Plan, regional needs and potential interregional solutions, and other related issues. A detailed agenda will be posted prior to the meeting.

¹ A new WPR, NorthernGrid, has been formed and will combine the ColumbiaGrid and NTTG WPRs into a single WPR. NorthernGrid is currently seeking FERC approval to be a WPR. At the time that NorthernGrid's filing is accepted by FERC, ColumbiaGrid and NTTG will be replaced by NorthernGrid and all applicable interregional coordination information for the 2020-2021 regional planning cycles will be updated accordingly.
